

Free WiFi Hotspot

This wireless "Hotspot" system is a free service launched by Kaslo infoNet Society to benefit the community and let the residents of Kaslo test our new Internet system. Feel free to surf the 'net with a wireless laptop while taking in all of Kaslo's historical landmarks.

Here are some local web sites that you may find very useful:

- [Kaslo.org](#) - Community Portal
- [Kaslo.com](#) - Web Guide to Kaslo
- [Kaslo.ca](#) - Village of Kaslo
- [Kaslo Chamber of Commerce](#)
- [Kootenay Lake Historical Society](#)

Also, some quick links to commonly used web sites
