Schedule your payment to be automatically charged to your Visa or MasterCard. Just complete and sign this form to get started!

Recurring Payments Will Make Your Life Easier:

- It's convenient (saving you time and postage)
- Your payment is always on time (even if you're out of town)

Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your credit card. You will be charged the amount indicated below each billing period or, if you choose, the amount owing at the time of billing (variable charges). A receipt for each payment will be emailed to you and the charge will appear on your bank statement as from "Kaslo Infonet Society". You agree that no prior-notification will be provided unless the date changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.
